

Dear Poultry Enthusiast,

As you know we have had two major increases in postal rates in the past year. Due to this increase and in order to keep our book & merchandise prices the same price we will only be shipping merchandise by First Class or Media Mail. The delivery time runs from 7 – 21 days for this type of shipping.

**If you want or need a faster delivery by Priority Mail, Fed Ex or UPS you should contact our office for shipping rates.**

Thank you for your understanding and cooperation,
